

# BUSHNELL GARDENS NURSERY

## NEWSLETTER for SEPTEMBER 2011

### [Creating Fabulous Fall Color in Your Landscape](#)

Fall is one fourth of the year and is an often neglected gardening season. Creating a fabulous fall Garden with many fall colors ablaze in your landscape requires planning.

Let Bushnell Gardens Nursery will help you create the finest fall garden in the neighborhood by helping you select the trees, shrubs, perennials and ornamental grasses to give you a riot of fall color.

Our class will be held Saturday, September 17, 2011 at 10:00 am. Class topics will be fall pruning of ornamental trees and shrubs and how and when to divide perennials.

Our next Bushnell Clinic will be October 15, 2011, 10:00 am and we'll talking all about Japanese Maple Pruning. Mark your calendars.

### [SUCCULENT GARDEN INSTRUCTION](#)

Enjoy an hour of instruction on designing your own Succulent Garden, Saturday, September 24, 2011 at 10:00 am. This class will teach you all about the fabulous world of succulents along with receiving individual instruction. You will leave with a beautiful succulent garden arrangement in one of our exclusive Keith Hamilton pots. Dress to get dirty.
